CLASS CANCELLATION & INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of classes and/or campus activities at The University of Memphis, local radio and television news media will be immediately notified for dissemination as they deem appropriate. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each University division. Cancellations will not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. FACSIMILE

The Telecommunications Office is equipped to transmit and receive facsimile documents to any point with facsimile capabilities. This service is available to a student, faculty/staff member, department, organization or agency with a University account number. Facsimile rates can be obtained from the Telecommunications Office. There is no charge for business-related incoming messages. Incoming facsimile documents can be received 24 hours a day. The telephone number for receiving facsimiles is 678-FAXX (678-3299).

SYSTEM FEATURES

Basic and Deluxe feature packages consisting of Automatic Call-back, Call Hold, Call Waiting, Call Transfer, Conference Call (3-party only) and Speed Dialing are offered to residence students for added convenience and flexibility to meet their communications needs. Students must make application for service at the Telecommunications Office. Faculty and staff telephones are automatically equipped with the Deluxe package.

TELECONFERENCE OR CONFERENCE CALLING

Any person, group or department may hold a telephone conference call for up to six (6) parties. Only one of these parties must be a campus station. To establish a conference call for more than three (3) parties, call the campus operator for assistance. A portable teleconference telephone is available for persons, groups or departments that would like to take part in a teleconference. This telephone is designed to allow large groups to participate in discussions with remote locations. Groups do not have to be part of the main campus to take advantage of this service.

VIDEO SERVICES

Twenty-six cable television channels are availabe to any campus subscriber. A cable hook-up jack is needed, and some subscribers need converter boxes for their televisions. Several closed-circuit television channels are maintained to present information of specific interest to The U of M community. Telecasts transmitted by industry groups and by other universities can also be received. Contact Telecommunications for further information.

USER GUIDES

Telecommunications has developed user guides for equipment and services offered by the department. Each station user should have a copy of the guide that is appropriate for his or her telephone. Faculty and staff should check with their departments for the names of their Communications Counselors. These people serve as extensions of the Telecommunications Office in meeting the needs of the user community. Each Communications Counselor has copies of all user guides and can answer most routine questions. Students can pick up user guides at the Telecommunications Office.

ASSISTANCE

The Telecommunications Office staff is available to assist individuals, groups or departments with all of their telecommunications needs. End-user departmental training, departmental analysis and design, and special services can be arranged through the department. Call us with any questions, concerns or problems.

TIGERLINE LONG DISTANCE SERVICE

Long distance service is offered by The U of M Telecommunications Department. Called "Tigerline," this service is available to any administrative/faculty person for official University business. Users may establish a separate account for personal use. Residence hall students may also subscribe to the service. Application should be made at the Telecommunications Office in Jones Hall, room 101.

User Class	Application
Administrative (UOM Account)	Telecommunications Work Order Request
Faculty/Staff (Personal)	Tigerline Long Distance Service — Faculty/Staff Account
Residence Hall	Tigerline Long Distance Student Service — Residence Student Account

PLEASE NOTE: Cardholders are responsible for all calls charged to their code numbers. Users must notify the Telecommunications Office **immediately** if their cards are lost or stolen. Any billing discrepancies should be reported to the Telecommunications Office within 10 days of invoice date.

RATES

Tigerline rates are based on the cost of service and are considerably lower than alternative long distance services. A $50 deposit may be required for student accounts. There is no minimum usage charge and no financial limitation on calling ability, but the user will be asked to make a payment in the case of excessive calls.

CALL BILLING

Billing for domestic and international long distance calls begins as soon as the called party answers. If you dial a wrong number or receive a bad connection, hang up immediately to avoid a possible charge. Calls to some international locations begin billing after 72 seconds. Charges may also be assessed for long ringing periods

TIGERLINE LONG DISTANCE SERVICE *(continued)*

with no answer.

The telephone system must receive a positive release signal to terminate billing of each call. When consecutive calls are made, take appropriate action to insure that the first call is properly terminated for billing purposes. To terminate calls using standard desk sets or residence lines, hang up for at least 5 seconds. Billing adjustments will not be made for improperly terminated calls.

ACCOUNT BILLING, PAYMENTS AND ADJUSTMENTS

Administrative Accounts — Departments/Agencies are provided a detailed report of all local and long distance usage charges and telecommunications work order charges incurred each month. Billing adjustments to administrative accounts will not be made after the date indicated on the invoice. Any discrepancies must be reported to the Telecommunications Office in writing.

All other accounts — A monthly invoice will be rendered to each user with all long distance charges itemized. These invoices are due upon receipt and are considered delinquent after 15 days of invoice date. Checks should be made payable to Memphis State University. Payments are to be made at the Bursar's Office before the delinquent date. If payments are not shown posted by the delinquent date, the authorization code will be deactivated until payment is received. A $15 reactivation fee will be charged to restore long distance service.

Any discrepancies or concerns should be discussed in person with Telecommunications Office personnel in Jones Hall, room 101. No discussion of accounts will be handled over the telephone.

TERMINATING SERVICE

Administrative Accounts — To deactivate an authorization code, submit a Work Order Request form to the Telecommunications Office and attach the user's Tigerline Card.

Faculty/Staff Accounts — Provide written notice to the Telecommunications Office requesting the effective date of termination of service. Complete final paperwork in person at the Telecommunications Office. ALL CHARGES MUST BE PAID PRIOR TO DEPARTING FROM THE UNIVERSITY.

Student Accounts — Students must come to the Telecommunications Office in person to terminate service. Applicable deposits will be refunded by the Bursar's Office upon termination of service providing there is no outstanding balance. If there is a balance due, the deposit will be used to pay the bill. Any remaining deposit will then be refunded.

An additional payment may be required if the deposit does not cover the balance due. If students do not pay, any deposits held by the University (i.e., dormitory reservation, breakage fees, etc.) will be applied to the outstanding bill. As in the case of all other financial obligations to the University, non-payment will result in withholding of registration materials, diploma and/or transcripts.

*If your Optima account or any other American Express account you may have is not maintained in good standing, you will forfeit the introductory rate. After the 6-month introductory period, the APR will be a competitive variable rate — 18.9% as of 7/31/95. The APR for Cash Advances is 21.9% as of 7/31/95. These rates are adjusted monthly based on the Prime Rate as listed in *The Wall Street Journal* on the 15th day of the month preceding the billing period.

**To be eligible, you must apply for the Optima Card by July 31, 1996, and meet credit approval. For the domestic fare travel certificates, reservations must be made within 21 days of travel; maximum stay is 14 days and must include a Saturday night. Seats at these fares are limited. American Express makes these certificates available solely as a service to its Cardmembers and incurs no liability in connection with their use or non-use. Continental is directly responsible for the fulfillment of this offer and the delivery of travel services. Certificates valid through October 31, 1996, except for the Spring/Summer Certificates which are valid through August 23, 1996. Your Travel Savings Certificates, along with complete terms and conditions, will be sent to you upon credit approval.

***To be eligible, you must apply for the Optima Card for students by July 31, 1996 and meet credit approval. You will receive an MCI calling card that gives you up to 6 hours of free long distance calling. Credit will not exceed usage. One enrollment bonus per customer. Offer valid for new American Express/MCI Card customers only. Must be an MCI customer at time of fulfillment. TERMS AND CONDITIONS

By signing this Application, I ask that an account be opened and a Card issued and that you renew and replace it until I cancel my account. I agree to be bound by the agreement received with the Card. I agree to be liable for all charges to the Optima Card issued at my request.

I understand that I must provide all the information requested in this Application and I certify that such information is accurate. I authorize you to verify the information on the Application and exchange information on me including requesting reports from credit reporting agencies. I am aware that this information will be used to determine my eligibility for the Card and that, if my Application is approved, you may contact these sources to update information at any time. If I ask whether or not a credit report was requested, you will tell me; if you received a report, you will give the name and address of the agency that furnished it. I am also aware that information about me may be used for marketing and administrative purposes and shared with your affiliates and subsidiaries. I understand that information from this Application may be shared with MCI.

Express Cash: By accepting the Card, I am also requesting to be considered for your Express Cash ATM program. The Express Cash terms and conditions, including fees, will be printed on the card agreement I will receive. If approved for this program, you will issue me a Personal Identification Number (PIN).

Information on Balance Transfers: If I have been offered and accepted an opportunity to transfer balances on bank credit cards to American Express Centurion Bank ("AMEX"), I authorize AMEX to forward payment on my behalf on the accounts listed on the reverse side to the related account-issuing bank(s). I understand that my Optima Card account will be debited for the total transfer amount and will be assessed finance charges as stipulated in the Cardmember agreement at the time a check is issued to my current credit card institution. I certify that the account listed on the reverse side is in good standing and I agree to maintain its current status at least until AMEX has forwarded payment on my behalf. I agree to keep paying the current minimum payment on the account until confirmation appears on my Optima Card statement. I understand that transfers may take 5 to 6 weeks. I authorize AMEX to verify the status and balance of such accounts and understand that AMEX may, at its discretion, deny a transfer request. I agree that I continue to be liable to the account issuer pursuant to the respective credit agreement and that I have met the transfer requirements listed on the reverse side. I understand that AMEX shall not be liable for any matters arising out of or related to such accounts or for incomplete or inaccurate information provided by me. Balance transfer is restricted to Basic Cardmembers only.

- An applicant, if married, may apply for a separate account.

- Married Wisconsin Residents–No provision of any marital property agreement, unilateral agreement or court decree under Wisconsin's Marital Property Act will adversely affect a creditor's interest unless, prior to the time credit is granted, the creditor is furnished a copy of that agreement or decree or is given complete information about the agreement or decree.

- New York Residents may contact the New York Banking Department at 1-800-518-8866 to obtain a comparative listing of credit card rates, fees, and grace periods.

The Optima Card is issued by American Express Centurion Bank.
